The 2024 National 4-H Week theme is **Beyond Ready**, which celebrates the program's dedication to building a generation equipped for the future while being met where they are today. This year, 4-H is focused on helping youth be ready to lead, ready to serve, ready to build, and ready to conquer.

HEALTHY LIVING TIP

On Halloween night if you Trick or Treat, make sure you know how much candy you eat. If you eat a lot of candy you can get sick. So instead of eating a lot you can eat a little everyday, instead of eating all at one time. Also remember to check your candy before you eat it making sure there are no rips or if it looks like someone tried to open it, DON'T eat it! Have fun and be safe!
